Epilepsy awareness programme

By A Staff Reporter

The Founder Trustee and Chairman of Epilepsy Foundation, Dr. Nirmal Surya, a neurologist at Bombay Hospital, will launch an awareness programme for Epilepsy on November 17th, which happens to be National Epilepsy Day. The programme will be inaugurated by Minister of State for Information and Technology, Milind Deora and Minister of Public Works and Tourism, Chhagan Bhujbal at CST station. The aim of this programme is to reach out to people and create awareness about epilepsy.
