Bhujbal, Deora inaugurate epilepsy awareness events

ON NATIONAL Epilepsy Day on November 17, a special awareness programme was put together to spread information regarding this disease. The Epilepsy Foundation along with the National Rural Health Mission (NRHM) hosted an essay competition in all the state government schools across Maharashtra to spread awareness about the disease.

The event was inaugurated by south Mumbai MP and minister of state for Information & Technology, Milind Deora at CST, while Chhagan Bhujbal, minister of public works, and tourism inaugurated the session at Churchgate in the presence of Dr Vijay Gavit, minister of medical education and Vikas Kharge, commissioner, NRHM Maharashtra.
